In addition to federal law requirements, Alverno Heights Academy complies with applicable state and local laws governing nondiscrimination in employment.*

### **ABOUT ALVERNO HEIGHTS ACADEMY**

Alverno Heights Academy is an all-girls, independent, progressive Catholic, college preparatory school dedicated to its mission of *empowering each young woman to be exactly the person she wants to be*. Located on the property of the former Barlow Estate in Sierra Madre, California, Alverno Heights Academy was founded in 1960 by the Sisters of St. Francis who sought to create an environment in the San Gabriel Valley where young women could become informed and knowledgeable persons. Later renamed Alverno High School and sponsored by the Immaculate Heart Community, Alverno's program—academic, spiritual, aesthetic, social, and physical—has been shaped by the staff, trustees, and students. As Alverno Heights Academy once again, the school remains committed to its mission by encouraging each of their young women to *be who they imagine*.
