

The Ellis School
Upper School Mathematics Instructor

The Ellis School, the only pre-K to grade 12 independent all-girls day school in Pittsburgh, PA, is seeking a full-time Upper School Mathematics instructor beginning in August, 2019. Responsibilities include teaching five sections of high school mathematics and advising eight to ten students.

Qualifications

Undergraduate studies in mathematics or a related field is required. Ideal candidates will have a minimum of 3-5 years of teaching experience and the ability to teach a wide range of mathematics courses including Statistics and Advanced Placement Calculus. They will possess a commitment to using innovative pedagogical practices and technology to enhance instruction, as well as enthusiasm about all-girls education. In addition, preference will be given to candidates with a demonstrated enthusiasm for working with and teaching adolescents, a strong sense of school community and teamwork, and excellent oral, written, and interpersonal communication skills. The Ellis School is committed to an inclusive program, and candidates with a demonstrated commitment to diversity, equity and inclusion are especially encouraged to apply.

To Apply

Candidates should submit a letter of application, resume, transcripts, and the names and contact information of three professional references to Wendy Wu, HR/Accounting Manager at opportunities@theellisschool.org. Preference will be given to applications received by April 2.
