Kent Place School is seeking a Learning Specialist with expertise in early childhood - grade 5 to work part-time (3 days each week). Knowledge of child development, learning strategies, formal evaluation tools and techniques, assessment, curriculum and best practices will be expected. Candidates should have 3-5 years of experience in a comparable school, and demonstrated strength in teacher consultation and interpersonal skills; preferably a master’s degree; and experience in student support. Please submit resume and cover letter to teaching@kentplace.org with "PS Learning Specialist" in the subject line. Kent Place School is an equal opportunity employer. We seek candidates who support the development of a school community that is culturally competent, a working environment that is affirming and inclusive, where each member feels safe and valued, as described in our Diversity statement.
