**Middle School Computer Science Teacher**

The Ursuline School is a Catholic, private, independent, college preparatory school for girls grades 6-12, located in New Rochelle, New York. We are accepting applications for a Middle School Computer Science teacher for the 2020-2021 school year.

**Level**: Middle School

**Position**: Part-time

**Start Date**: September 2020

**Major Responsibilities**:

- Teach middle school computer science classes focusing on computational thinking, coding, physical computing, and other skills in alignment with the Computer Science Teachers Association curricular standards.
- Provide activities and opportunities that encourage curiosity, exploration, problem-solving, critical thinking, and communication appropriate to the developmental levels and learning styles of the students.
- Create a supportive and caring classroom environment in which students can learn and interact positively with one another.
- Be familiar with Tynker software, Scratch, and the use of Edison robots.
- Proficient in Microsoft Office 365 Suite (Word, Excel, PowerPoint, and Access).
- Adept in using both Windows and Mac platforms.
- Proficient in other programming languages (Python, JavaScript, Java) – a plus.

**Experience/Qualifications**

- Master’s Degree preferred
- Experience teaching 6th through 8th grades (minimum 2 years)

**To apply**:
