Hathaway Brown School has an opening for a full-time Upper School Biology & Wellness (Health) teacher for the 2022-23 academic year.

Hathaway Brown, one of the country’s most distinguished private schools, with a nationally recognized science research program, seeks a full-time Upper School science and health teacher for the 2022-23 school year. The School seeks a superior candidate to teach in a highly competitive, cutting-edge science department. The ideal applicant will have experience in the areas of high school biology and health. The ability to teach chemistry, physics, or environmental science is a plus. Dedication to the independent school setting is a must. Teaching certification not required.

Hathaway Brown believes that a multicultural perspective is an essential element of a 21st century education, and values diversity in its student body, faculty and staff. Compensation and opportunities for professional growth are exceptional.

Responsibilities include:

- Instructing the equivalent of 4 full-credit courses to include Upper School Biology and Upper School Wellness (Health) classes.
- Mentoring approximately 10 Upper School students (academic counseling, community building, parent/guardian communication, conferencing.)
- Engaging in the life of the Upper School (presence at assemblies, events, etc.)
- Chaperoning/supervisory duties approximately three times a year.
- Participating in school-wide, departmental, divisional, and mentor team meetings.
- Writing college letters of recommendation for students when appropriate.
- Coaching is not required but a plus.

The Upper School science and health teacher will possess the following:

- A degree in biology or a related field, Bachelor minimum. Teaching certification is not required.
- Experience teaching at the high school level.
- The ability to develop and implement an effective and engaging curriculum; highly competent teacher.
- A knowledge of adolescent development and effective classroom practice for the high school classroom.
- The ability to build positive relationships with high school students; a powerful student mentor.
- The ability to draw people in for collaboration and problem solving; a trusted and sought-after colleague.
- High-level of familiarity and competence across cultures and multiple perspectives.
- Familiarity and competence in technology skills.
- Superb communication skills.
- Energy and initiative.

Qualifications To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability
required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
