At Crofton House School, we inspire girls to discover and pursue their personal excellence from the first day of junior kindergarten to grade 12 and beyond.

Bound by our belief in the power of all-girls education, Crofton House School fosters a strong sense of community among educators, staff, students and families. Here, everyone can contribute to the strength of our learning environment – including you.

The Arts and Applied Design, Skills & Technology Department at Crofton House School is distinguished by extraordinary teachers who provide a collaborative, inquiry-based, and student-centered approach to teaching. Crofton House School educational programs are designed to develop educated citizens who have the knowledge, skills, and understandings they need to demonstrate active engagement and discipline in creating works of art and resolving creative challenges; students create artwork that is personal, well-informed, and meaningful. The teaching facilities are well equipped and offer bright and resource-rich learning environments.

As an experienced, skilled, and innovative teacher, you inspire students and teachers alike. You are a leader in planning, implementing and assessing student learning. You have a deep knowledge of curriculum development and demonstrate an approach to teaching that is reflective of the way in which girls learn. You optimize the resources available to you. You support all learners with diverse strategies and approaches and bring innovative solutions to learning challenges experienced by students. Your classes are student-centred and dynamic. Students, members of your department, colleagues and parents describe you as approachable, available, knowledgeable, genuine and supportive. You are energized by what you do. You understand the importance of parents as partners in their daughter’s education by maintaining open and collaborative relationships with the parent community. As a lifelong learner, you demonstrate a commitment to actively seeking professional development. You participate actively in the life of the school.

You will find the school to be a professional learning centre. In addition to spending an engaging day with students who are genuinely interested in learning, thinking and playing, teachers are provided with dedicated work time as part of their daily schedule to plan and work collaboratively with others and to stay current in their field.

This role is a 1.0FTE, the allocation between Art and Digital Film will vary from year to year based on the needs of the School. Additionally, there is the possibility for the successful candidate to teach other subjects within AADST in the future based on their skills and the needs of the School.
