Exciting Opportunity for an Extraordinary Teacher  
Teacher, Mathematics, Senior School (Grade 8 - 12)  
Full-time - Continuing Contract  
2022 - 2023

At Crofton House School, we inspire girls to discover and pursue their personal excellence from the first day of Junior Kindergarten to Grade 12 and beyond. Bound by our belief in the power of all-girls education, Crofton House School fosters a strong sense of community among educators, staff, students and families. Here, everyone can contribute to the strength of our learning environment – including you.

Crofton House is seeking a skilled and experienced teacher of mathematics, able to transfer their knowledge and passion to a diverse class of students in the Senior School (Grades 8 to 12). The successful candidate will be joining CHS’s staff at an exciting time in the School’s history, as we undertake a mid-point review of our strategic plan to ensure we are ready to meet new challenges, seize new opportunities, and continue in our mission to educate young women, and encourage them to embrace their ambitions and make a meaningful contribution to society.

As a teacher in the Senior School Mathematics Department, you will be confident in curriculum development, and demonstrate an approach to teaching that is student-centred, dynamic and representative of the values of an all-girls’ education. By optimizing the resources and technology around them, this position supports all learners with diverse approaches and brings innovative solutions to learning challenges experienced by students.

At Crofton House, a positive learning environment and community are essential. Our teaching staff are approachable, available, knowledgeable, genuine and energized by their work and continued professional development! They participate actively in the School’s community, understand the importance of parents as partners in their daughter’s education, and maintain an open and collaborative relationship with the parent community.

Responsibilities:

- Bring a student-centred, inquiry-based and collaborative approach to the delivery of the B.C. Curriculum of mathematics (Grade 8 to 12)
- Learn and teach collaboratively with teachers in the department and across the Senior School to plan, develop and implement an extraordinary learning experience for each student
- Build relationships with teachers and staff across the School community
- Participate in School meetings and events, including School planning and professional development
- Support the growth and development of individual learners as an Advisor in Crofton House’s Ivy Compass Program, and in leading Advisory classes
- Participate actively in Crofton House’s co-curricular program

Qualifications, Knowledge, Experience:

- **Essential**: B.C. Ministry of Education Certificate or Independent School Certification qualification criteria
- Relevant university qualifications preferably at the graduate level (e.g. Bachelor of Education plus
Bachelor of Science, Mathematics major
- Graduate degree, an asset
- Experience teaching Advanced Placement courses and/or Calculus 12, an asset
- A comprehensive understanding of current educational practices outlined in the BC Ministry of Education documents
- Understanding of ‘Standards-Based Learning/Assessment’, an asset
- Ability to teach in another subject area, an asset
- Experience in an independent school, an asset
- Demonstrable awareness of the learning styles of girls and young women
- Collaborative and energetic with a passion for teaching
- Committed to the craft of teaching, best practices and standards
- Excellent interpersonal, communication and problem-solving skills
- A commitment to continued professional development and growth
- Energy, commitment and a readiness to participate in the co-curricular program and the diverse School community

Employment and Application Details:
Classes begin in September 2022, following teacher orientation in late August 2022.

Employees of Crofton House School receive competitive compensation, including participation in Crofton House Pension Plan (RRSP), and generous support for professional, educational and leadership development. Please note that applicants must be able to legally work in Canada.
